The **WOMENINBUSINESS.ORG** cordials are both touch points and nexus for new or seasoned men and women entrepreneurs, C-suite executives, professionals, business owners. Each cordial is creatively designed and customized to reflect size, venue, participation, time and purpose. All cordials offer fresh ideas, new strategies, information and engagement. Our cordials are mutually rewarding, collaborative and take place in conjunction with other organizations or businesses. Cordials are scheduled for different locations and business categories - and provide business and pleasure, always with a point. Contact us to discuss a cordial to fit your requirements.
